PROFIT WARNING – ESTIMATED DECREASE IN LOSS ATTRIBUTABLE TO EQUITY HOLDERS FOR THE YEAR ENDED 31 DECEMBER 2022

This announcement is made by Nexion Technologies Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the year ended 31 December 2022 (the “**Year**”) and the information currently available, the Group is expected to record significant decrease in loss attributable to equity holders of the Company of approximately US\$1,234,000, as compared to a loss attributable to equity holders of the Company of approximately US\$3,106,000 for the year ended 31 December 2021 (the “**Prior Year**”).

Based on the information currently available, the Board considered the significant decrease in loss was mainly attributable to the following reasons:

- (i) Change of segment results (adjusted earnings before interest, taxes, depreciation and amortisation (“**Adjusted EBITDA**”)) of the cyber infrastructure solutions segment from loss of approximately US\$80,000 for the Prior Year to profit of approximately US\$36,000 for the Year, which was mainly due to cost control of the Group;
- (ii) Change of segment results (Adjusted EBITDA) of the cyber security solutions segment from loss of approximately US\$689,000 for the Prior Year to profit of approximately US\$17,000 for the Year, which was mainly due to the increase in revenue to approximately US\$2,551,000 during the Year (*Prior Year: approximately US\$1,363,000*), the decrease in employee benefits expenses arisen in profit guarantee (the “**Profit Guarantee**”) from acquisition of WerkDone Pte. Ltd. (previously known as Storm Front Pte. Ltd.) to approximately US\$36,000 (*Prior Year: approximately US\$173,000*), the decrease in share-based payments in respect of the Profit Guarantee to approximately US\$312,000 (*Prior Year: approximately US\$704,000*), and increase in reversal of share-based payments in respect of the Profit Guarantee to approximately US\$376,000 (*Prior Year: Nil*) for the Year, respectively;

- (iii) Change of segment results (Adjusted EBITDA) of the Software-as-a-Service (“SaaS”) segment from loss of approximately US\$328,000 for the Prior Year to profit of approximately US\$152,000 for the Year, which was mainly due to the decrease in advertisement fee incurred for the developed SaaS business and the decrease in impairment loss on other receivable to nil (*Prior Year: approximately US\$208,000*); and
- (iv) Decrease in unallocated general and administrative expenses from approximately US\$886,000 for the Prior Year to approximately US\$636,000 for the Year due to cost control by the Group.

The Company is still in the process of finalising the consolidated financial results of the Group for the Year. The information contained in this announcement is only based on the information currently available to the Company and such information has not been reviewed or audited by the independent auditor of the Company or reviewed by the audit committee of the Company.

Shareholders and potential investors are advised to peruse the financial results of the Company for the Year with care when it is released. The annual results of the Group for the Year shall prevail over the information contained herein. It is expected that the annual results of the Group for the Year will be published on or around 24 March 2023.

Shareholders and potential investors should exercise caution when dealing in the securities of the Company.

By order of the Board
Nexion Technologies Limited
