PROFIT WARNING

This announcement is made by Nexion Technologies Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 17.10 of the Rules Governing the Listing of Securities on GEM of The Stock Exchange of Hong Kong Limited (the “**GEM Listing Rules**”) and the Inside Information Provisions (as defined under the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board of directors of the Company (the “**Board**”) wishes to inform the shareholders of the Company (the “**Shareholders**”) and potential investors that, based on the preliminary assessment of the unaudited consolidated management accounts of the Group for the nine months ended 30 September 2022 (the “**Period**”) and the information currently available, the Group is expected to record a loss attributable to equity holders of the Company of approximately US\$1,015,000, as compared to a loss attributable to equity holders of the Company of approximately US\$1,270,000 for the nine months ended 30 September 2021 (the “**Prior Period**”).

Based on the information currently available, the Board considered the decrease in loss was mainly attributable to the aggregate effect of the following reasons:

- (i) Change of segment results (adjusted earnings before interest, taxes, depreciation and amortisation (“**Adjusted EBITDA**”)) of the cyber infrastructure solutions segment from loss of approximately US\$91,000 for the Prior Period to profit of approximately US\$18,000 for the Period, which was mainly due to cost control of the Group;
- (ii) Increase in segment results (Adjusted EBITDA) of the Software-as-a-Service (“**SaaS**”) segment from profit of approximately US\$2,000 for the Prior Period to profit of approximately US\$159,000 for the Period, which was mainly due to the decrease in advertisement fee incurred for the developed SaaS business;
- (iii) Decrease in unallocated general and administrative expenses from approximately US\$570,000 for the Prior Period to approximately US\$372,000 for the Period due to cost control by the Group; and

- (iv) Change of segment results (Adjusted EBITDA) of the cyber security solutions segment from profit of approximately US\$52,000 for the Prior Period to loss of approximately US\$198,000 for the Period, which was mainly due to the increase in employee benefits expenses and share-based payment arisen in profit guarantee from the acquisition of the entire interest of Storm Front Pte. Ltd. to approximately US\$153,000 (*Prior Period: Nil*) and approximately US\$240,000 (*Prior Period: Nil*), respectively.

The Company is still in the process of finalising the consolidated financial results of the Group for the Period. The information contained in this announcement is only based on the information currently available to the Company and such information has not been reviewed or audited by the independent auditor of the Company or reviewed by the audit committee of the Company.
